

Mr. Salim M. Sessine

Salim Sessine is the Owner and President of MA Engineering and EAM Engineers, Inc., privately held consulting engineering firms, located in Birmingham, Michigan. Salim was born in Lebanon and immigrated to the United States in 1980. He received a Masters of Science Degree in Mechanical Engineering from Wayne State University and is a Registered Professional Engineer.

Salim is Vice President for the Lebanese American Council for Democracy (LACD) and Parish Council Chairman for St. Mary's Orthodox Church in Livonia, Michigan. He is a Board Member of Trustee for the Christian Lebanese Foundation of the World (CLFW), a Member of the Advisory Board for ACCESS Community Organization, a Board Member of the American Task Force for Lebanon (ATFL) and a Previous Board Member with the Auxilia Foundation.

Salim was awarded an Honorable Mention at the first annual New Americans Appreciation Gala, which featured Governor Rick Snyder as its keynote speaker, for having made significant contributions to the community.
